5. How to Play

Once successfully registered, participants may begin playing the **Prepay Nation Football Award Cup**.

Inspired by classic arcade football games, participants compete to score goals, improve their personal best and climb the global leaderboard. The objective of the game is to score as many goals as possible while attempting to win each match, qualify for available prizes and secure a place among the competition's top performers.

The Prepay Nation Football Award Cup

The following gameplay rules apply:

- **Unlimited Attempts:** During their active game session, participants may play an unlimited number of matches in an effort to improve their personal best, climb the leaderboard and qualify for available prizes. Participants are encouraged to continue playing within the same session to maximize their performance. Once the game is completed, the participant is eligible to enhance their score by clicking "Play Again". Going to the leaderboard will result in closing the session and registering the highest score for that registered account;
- **Game Session:** Each participant is permitted **one (1) continuous game session**, linked to their unique registration (email address and mobile phone number). The one-session policy is designed to ensure fair competition, protect the integrity of the leaderboard and provide equal opportunities for all participants;
- **Session Termination:** If a participant closes the browser, refreshes the page (if applicable), leaves the competition landing page or otherwise terminates their active session, the session will end permanently and cannot be resumed. Any match that has not been completed at the time the session ends will not be recorded. Once a session has ended, the participant may not register again or start a new session using the same email address or mobile phone number;
- **Wins Only:** Only matches resulting in a **win** are eligible to be recorded on the global leaderboard. Draws and losses will not be saved as qualifying results. Where two or more participants achieve the same score, the competition system will automatically apply the official tie-breaker rules, including match performance statistics and completion time, to determine leaderboard rankings.

Full leaderboard ranking criteria are described in Section 6 – Leaderboard Rules.

- **Personal Best:** The system records and retains each participant's highest-performing winning match. If a participant achieves a better result in a subsequent winning match during the same game session, their previous personal best will automatically be replaced.

To ensure fair competition, the outcome of every completed match is automatically recorded and validated by the competition platform. Only verified results achieved during the Competition Period will be considered for leaderboard rankings and prize qualification.

Participants are encouraged to complete all intended gameplay before closing the browser or leaving the competition landing page, as game sessions cannot be resumed once terminated.

6. Leaderboard Rules

The **Prepay Nation Football Award Cup** features a global leaderboard that ranks participants based on their **single best verified winning performance** achieved during the Competition Period.

Only **winning matches** are eligible for inclusion on the leaderboard. Draws and losses are not recorded and will not affect a participant's ranking.

The competition platform automatically records each participant's highest-performing winning match and updates the leaderboard accordingly.

Personal Best

A participant's existing leaderboard result will only be replaced if a subsequent winning match is objectively better. The system evaluates each new result using the following criteria, applied in the order listed below:

1. **Highest Number of Goals Scored**

The participant who scores the greatest number of goals will rank higher.

2. **Highest Goal Difference**

If two results have the same number of goals scored, the participant with the higher goal difference (Goals Scored minus Goals Conceded) will rank higher.

3. **Fewest Goals Conceded**

If both the number of goals scored and the goal difference are identical, the participant who conceded fewer goals will rank higher.

Global Leaderboard Tie-Breakers

Where two or more participants achieve identical results, the competition platform will automatically determine the final ranking by applying the following tie-breakers in sequence:

1. Highest number of goals scored;
2. Highest goal difference;
3. Fewest goals conceded;
4. Fastest time to reach the best score;
5. Earliest verified timestamp.

The leaderboard is updated automatically throughout the Competition Period as qualifying results are verified.

All rankings generated by the competition platform are considered final unless a technical issue, fraudulent activity or breach of these Terms & Conditions is identified.

The Prepay Nation Football Award Cup

Prepay Nation reserves the right to review, validate, adjust or remove any leaderboard entry where there is evidence of technical malfunction, system abuse, manipulation, duplicate registrations, fraudulent activity or any other behavior that compromises the fairness or integrity of the competition.

7. 🏆 The Prepay Nation Award Cup – Hit Double Figures

The **Prepay Nation Award Cup** rewards participants who demonstrate outstanding performance during the competition by reaching **double figures** in a winning match.

To qualify for the Award Cup reward, participants must:

- Achieve **10 or more goals** in a single **winning match** during the Competition Period;
- Successfully meet all eligibility and registration requirements set out in these Terms & Conditions;
- Be among the **first one hundred (100) verified qualifying participants** to achieve the required score.

Each qualifying participant will receive **one (1) USD \$10 Visa Award**, subject to successful verification and prize fulfilment requirements.

The Award Cup is limited to a maximum of **100 qualifying rewards**. Once all one hundred (100) rewards have been allocated, no additional USD \$10 Visa Awards will be issued, even if other participants subsequently achieve the qualifying score.

Qualification for the Award Cup is determined strictly on a **first verified, first rewarded** basis. The competition platform automatically records the time at which each qualifying result is achieved and verified for the purposes of determining reward eligibility.

Receiving an Award Cup reward does **not** prevent participants from continuing to play. Qualifying participants may continue competing throughout the Competition Period to improve their leaderboard position and, where applicable, qualify for the *Champions Cup Grand Prize Draw* described in Section 8.

Award Cup rewards are personal, non-transferable and cannot be exchanged for cash or substituted except where required by law or at the sole discretion of Prepay Nation.

8. 🏆 Champions Cup – Become a Champion

The **Champions Cup** recognizes participants who demonstrate consistency and outstanding performance throughout the Competition Period.

The Prepay Nation Football Award Cup

Upon achieving five (5) verified winning matches, a participant will receive **one (1) entry** into the *Champions Cup Grand Prize Draw*. **Additional winning matches do not generate additional entries**, and each participant may qualify **only once** for the draw.

There is **no limit** to the number of participants who may qualify for the *Champions Cup Grand Prize Draw*.

Following the close of the Competition Period and completion of the verification process, Prepay Nation will conduct a random draw to determine the three (3) Champions Cup winners.

The following prizes will be awarded:

- 🏆 **First Prize:** One (1) USD \$300 Visa Award;
- 🏆 **Second Prize:** One (1) USD \$200 Visa Award; and
- 🏆 **Third Prize:** One (1) USD \$100 Visa Award.

Winning a reward under the **Prepay Nation Award Cup** does not affect eligibility for the Champions Cup. Participants who qualify for both competitions remain eligible to receive their USD \$10 Visa Award (where applicable) and one (1) entry into the *Champions Cup Grand Prize Draw*.

Each participant may win **only one (1) Champions Cup prize**.

Champions Cup prizes are personal, non-transferable and cannot be exchanged for cash or substituted except where required by law or at the sole discretion of Prepay Nation.
